Marshall ROC is the Marshall Fire & Windstorm long term recovery group. We are a coalition of community organizations, funders, individuals, and government agencies bound together by a common interest:

Helping our neighbors, particularly those who are most in need.

## The Marshall ROC Mission – Restoring Our Community

The mission of Marshall ROC is to support and empower individuals and households affected by the Marshall Fire and Windstorm to lead their own recoveries by identifying needs and coordinating assistance on their behalf.

Marshall ROC Stars Community-Wide Volunteer Recognition

- About 15% of the community are back in rebuilt homes
- Standing homes represent a growing concern in the community and among attendees.
- More than 30% of those attending the Marshall Fire Moving Forward event are "still deciding" or "unsure about their next step"
- Many in community concerned about the end of "ALE' payments from insurance companies, since so many are not back into their permanent homes yet and won't be by the 12.30.2023 ALE end date
